

## The Traveling Farm

**Description:** A variety of farm animals are set up in pens for you to pet. Farmer will divide food up for you to individually feed the animals (except the rabbits, chicks and guinea pigs). This program is for all ages and available March-November. Can be done indoors if we have prior knowledge but is best outdoors on grass. Guidelines for groups: No less than 20 minutes for each and no more than 35 in each. **Not available for NY**

**Length:** This program starts at two hours but for an additional charge you can add hour(s). We also offer a five-hour traveling farm at a discounted price. We do not do less than two hours for a discounted rate, but certain times of the year are less.

**Price:** Prices on all programs vary on: time of year, how many (hours) and where you are located. We service NJ, DE, PA and MD. We are in Pennsburg, PA. We typically will travel three hours away. Some location only available certain months.

**When will we arrive? When will we leave?** We arrive about 30 min before your “start” time and don’t take down until after your “end” time. Keep in mind we cannot predict the traffic, but we will give you a call if we are going to be late if able. Under extenuating circumstances farmer may need to leave, but not without approval from the office after conferring with you.

**What animals do we bring?** A typical traveling farm has a: Alpaca, calf, sheep, goat, pig, turkey, three ducks, one goose, four rabbits, four chickens (two sets, two roosters and two hens) six baby chicks and two guinea pigs. A total of 25 but 11 different kind of animals. We reserve the right to substitute or leave at the farm/truck any of these animals if animal’s health is in question. If you do not want an animal, please try to request this before delivery date. If you forget you may ask the farmer to keep said animal in vehicle. Less animals, do not change the price. **Due to the DOH of NY we are not permitted in NY.**

### **What you need to know.**

- A. We are insured and can send you a certificate. If you are tax exempt we will need your Tax-Exempt Certificate. You can make checks payable to Quiver Farm Projects, Inc. mailed to 3096 Wild Run Road, Pennsburg, PA 18073.
- B. When you pay your invoice, you are agreeing to the cancellation and payment polices listed below.
- C. You are not scheduled unless you have received an invoice and you are not confirmed for delivery until payment policy has been met.
- D. The calf is a dairy cow, not a beef cow. He may look bony but that is just how dairy calves are.
- E. The pig will dig, he is looking for yummy grubs and worms. If you do not want him to dig then please tell farmer so they can either put him on cement/gravel or put him back in the vehicle.
- F. The calf, sheep, goat and any other livestock are on leashes that get tied to our stakes. If no grass is available, we will need something else to anchor them to. Such as a small tree or post.
