

The Bee Keeping

Description: A farmer/beekeeper comes to teach you about the life inside a hive of honey bees. Includes a real slice of the hive to watch them work, a taste of their golden hard-earned treat and equipment to test. Great for all ages and available June-August (sometimes Sept). Also available Sept-Oct and Jan-Feb but without live bees. Can be done indoors or outdoors. Up to 40 participants.

Length: This program starts at one hour but for an additional charge you can add hour(s). We also offer five presentations over a period of five hours at a discounted price.

Price: Prices on all programs vary on: time of year, how many (hours) and where you are located. We service NY, NJ, DE, PA and MD. We are in Pennsburg, PA. We typically will travel three hours away.

When will we arrive? When will we leave? We come about 30 min before your “start” time to set up. Due to different ages of audience we will remain till the conclusion of the program, which is approximately one hour. It will take about 20-30 minutes to clean up the program at your facility. Keep in mind we cannot control traffic, but we will try to give you a call if we are going to be late.

What animals do we bring? A slice of our bee’s hive with live bees, but only in the warm months June-August (sometimes May and Sept). If you do not want bees, please try to request this before delivery date. If you do not you may ask the farmer to keep them in the vehicle.

What do you need to do?

- 1.** Make sure you receive an invoice via email and check all the dates, times and price to be sure everything is what you discussed.
- 2.** Please read and follow our cancellation and payment policies listed at the bottom
- 3.** Please inform office of our arrival and having parking available. If there is a fee you are responsible to pay it.

If outdoors: You are required to provide shade on sunny days.

What you need to know.

- A.** We are insured and can send you a certificate If you are tax exempt we will need your Tax-Exempt Certificate. You can make checks payable to Quiver Farm Projects, Inc. mailed to 3096 Wild Run Road, Pennsburg, PA 18073.
- B.** You are not scheduled unless you have received an invoice and you are not confirmed for delivery until payment policy has been met.
- C.** We bring honey sticks for everyone to enjoy at the end of the program.
- D.** When you pay your invoice, you are agreeing to the cancellation and payment polices listed below.

Payment Policy: The 50% deposit is due 6 months before to hold your date. If you are booking within six months, the deposit is then due 2 weeks after booking. Remaining balance is due 30 days before delivery. If you are paying with a purchase order, we must receive a copy of the purchase order at least 30 days before delivery.

Cancellation Policy: Quiver Farm Projects does not issue refunds; we will reschedule or apply your credit to another program. If you reschedule the program or apply the credit to a program that is more than 6 months away, then there is a \$50 service fee that will be due 30 days before delivery.

If there is any issue with the above policies, please ask to speak to Emilie in the office, please do not confront or ask another farmer on delivery day or other office personnel when scheduling.
